Vol.1
December, 2014

Parents News

Welcome to the first edition of our newsletter, where we hope to keep parents informed of our services and our plans for future activities, holiday dates and other updates.

Many thanks to all parents who have been very supportive both through filling out questionnaires and verbal informal conversations. Your feedbacks have helped us greatly in giving your children the best possible care and we are open to more suggestions/feedbacks. The children are going to have their Christmas party on Monday, 15th

December 2014; and will get to post their special letters to Santa on the same day. They will also do presentations to their friends and Club staff. The Club closes on Friday, 19th December 2014; and re-opens on Monday, 5th January 2015.

Vacancies:

We currently have Play Worker and Driver vacancies at the Club. Feel free to tell your friends who might be interested to send their CVs and covering letters to vacancies@fountainoflove.org.uk

Children News

Earlier in the month, questionnaires were handed out to the children and they indicated some of the activities they would be interested in. The activities include:

- Outing to the park, beach and satrosphere when it is sunny;
- Playing games like races, tig/tag, duck duck goose and chinese whispers;
- Playing with barbie dolls, board games, drawing games and racing games.

Most of these activities are currently available at the Club, and we look forward to getting some additional resources to enable us make better provision for out door play (if the weather permits) in the new year.
